Hi Pam

Just wanted to thank you very much for the wonderful job you
did at our wedding. You added to the day being perfect. Hope
to see you again, hopefully in a couple of years with the naming
of our next child.

Pam,
Thank you so much for performing the ceremony on our special
day. We are extremely happy with the effort that you put in for
us. Also, a special thank you for the help with our certificate as
well. We are off to Bangkok in 3 sleeps.

Cheers,
S & J
