Pam

We were exceptionally happy with the assistance given by you prior to our wedding. The ceremony exceeded our expectations.

We both felt you were absolutely professional, extremely helpful and made it all go 'so smoothly' for us.

Dear Pam

We wanted to thank you for the great job you did as our celebrant, we had a great day and your contribution made it very memorable.

As you know we found you at somewhat short notice after not being happy with our original celebrant and you slotted in very smoothly and professionally.

Your help in designing the ceremony was excellent and your ability to easily ascertain what elements we wanted or didn't want in the ceremony was remarkable.

Your delivery on the day was excellent and despite the fact that we weren't able to have a practice or even give you an accurate idea of exactly where or in what position the ceremony would take place, we really appreciated the calm and no fuss manner in which you arrived, set up and performed the ceremony relaxed, friendly and professionally.

We loved the booklet of the ceremony you prepared and presented to us on the day, it was a very thoughtful touch and will be much treasured.

Thank you again.

Dear Pam,

I wanted to tell you how happy we were with your services. Everything you did for us was just so thoughtful and creative – you took all the worry out of the service for us. Many people commented on the service, but for us it was also your attitude and helpfulness prior to the ceremony.

Once again, thank you so much. We really appreciated your efforts.

I and I would like to thank you sincerely for your part in our wedding, starting right from several months ago with the first interview, then all the planning and drafting of the ceremony, and finally the actual day. You did such a wonderful job, so professionally yet with such a friendly personal touch. We had both read the printed ceremony many times in advance and thought it good, but when you read it out on the day you just made it all so interesting and held the attention of everyone present, it was just excellent. We had many favourable comments about the ceremony from our guests so I know your services were much appreciated.

As yet we haven't got many photos of the ceremony until I meet with our photographer this week, but I will definitely make a point of selecting some and emailing them to you, which can be used as you wish.

Once again, many thanks Pam, and we will have no hesitation in recommending you to others.

Kind regards
M & J

Hi Pam,

Thanks so much for your help leading up to and including the day. You were absolutely brilliant! We will print off the feedback form next week and send to you.

It was such a great day - we have been on a high all week. Attached are some photos from the day - the rain made our day even better as we went to Qld Uni and the photos have come out great from what we have seen.

Anyway, will chat to you soon.

Thanks again

D and I would like to sincerely thank you for a beautiful wedding ceremony. We couldn't have made it was it was, without you. The "passing around of our rings" to be blessed by our family and friends, just blew them away, as did the Unity Candle ceremony. Thank you again for making our special day perfect.

PS: Many thanks to your husband who played our music for us on the day. - He didn't miss a beat

We will definitely recommend you to anyone we know who is looking for a celebrant.

Hi Pam

You couldn't have done anything to change the ceremony - it was perfect in every way!

Your suggestions and support in the lead up to the wedding were fantastic and very comforting.

We would most DEFINITELY recommend you to all our friends getting married (in fact, I already have:))

Other comments: The ceremony was perfect in every way - it was personal and romantic and so many people commented on how touched they were. It was certainly the highlight of the day for both of us. Thank you so much!!

Thanks again and best of luck,

A
