**“Whether the weather be fine, Whether the weather be not, Whether the weather be cold, Whether the weather be hot, We'll weather the weather, Whatever the whether, Whether we like it or not” - (ref : [www.thinkexist.com](http://www.thinkexist.com))**

We have no control over weather - as demonstrated by the quote above, so if you're planning your wedding outdoors, in a park, nature reserve, beach, or garden, do make sure that there is a back-up plan in the case of inclement weather. Whilst we dream of a beautiful day, there are times when the weather isn't in our favour. The "backup" venue could be a deck, verandah, pergola, restaurant, marquee, and the decision to use the backup can be left quite late.

Put your mind at ease and have an alternate venue to be shielded from Mother Nature.
